- September
- December

Curriculum

Our curriculum provides students with the academic knowledge and study skills for undergraduate success. They'll complete core and mathematics modules (if applicable), plus subject-specific modules related to their chosen degree.

To pass and receive their Foundation Diploma award, students must earn 120 credits from all module options. Upon achieving the required grades, they can continue to the first year of their degree.

Structure, delivery and assessment

The INTO International Foundation is typically delivered in 6–9 months in 2 semesters.

Module information

Core modules (compulsory for all students)

- English for Academic Purposes (up to IELTS 6.5)
- OR
- Research Project with Skills Enhancement (IELTS 6.5+)

Specialist modules (based on intended degree)

- Biology
- Business and Accounting
- Chemistry
- Computer Science
- Economics
- Law and International Relations
- Mathematics (compulsory for some degrees)
- Mathematics and Data Handling (compulsory for some degrees)
- Media
- Physics
- Sociology and Psychology

Each module is worth 30 credits. Students must earn at least 120 credits across all modules.

Why Choose INTO Qualifications?

At PIE Pathways Bangladesh students can study

- Globally benchmarked qualification
- Comparable to UK A-Levels & US AP
- Recognized by universities worldwide
- Designed for international students
- Develop academic and research skills

About the INTO International Foundation

The **INTO International Foundation** prepares international students for undergraduate study at **leading universities** worldwide.

The **INTO International Foundation**, leading to the **INTO Level 3 Diploma** in International Foundation Studies, is designed to equip students to succeed at **undergraduate** level. The program is delivered and assessed at UK RQF level 3 and tailored to suit the specific needs of **international students**

Completion of O-LEVEL/ GED or equivalent

Equivalent to Year One undergraduate but with smaller class sizes and additional support

International Foundation

Successful completion of high school diploma, or sufficient undergraduate transfer credit to apply as an undergraduate transfer student

Progression to Year 2*

Undergraduate degree

the scores achieved on the International Foundation will determine how many credits may be applied to a degree. The degree duration will depend on credits required for the degree program, number of credits a student chooses to take per year and course sequencing.

Why **Start** Your Journey in Bangladesh?

- ✓ Save thousands in living costs
- ✓ Small class sizes
- ✓ Personalized academic support
- ✓ International curriculum
